

3-Day Workshop Accredited by the International Society for Schema Therapy (ISST)

LEVEL 2/ADVANCED SCHEMA THERAPY WORKSHOP RETREAT "BEYOND THE BASICS" LOCATION: BALI - INDONESIA

Date: August 12th-14th (2020)

Venue: Pullman Hotel Bali Legian Beach

Trainer: Dr Robert N. Brockman (ISST Accredited Supervisor & Trainer)

Course Fee: 749AUD (Lunch, Morning/Afternoon tea provided)

Course Content: This workshop will assist those with some background in Schema Therapy in developing and fine-tuning their skills and overcoming treatment roadblocks. The workshop will specifically cover challenging issues in the treatment of Borderline Personality Disorder (BPD) as well as Narcissistic and Cluster C personality disorders. This will include time allocated to difficult presentations of detached protector and Inner-Critic parent modes. Participants will also have extensive opportunity to practice experiential exercises including imagery rescripting and chair-work. This training is accredited by the International Society for Schema Therapy as three days advanced schema therapy training. For information on our ISST accredited training program see www.schematherapytraining.com

Registrations and bookings can be made at schematherapytraining.com or by emailing Rob Brockman at admin@schematherapysydney.com.au
